**GLOBAL NOTES AND STATEMENT OF LIMITATIONS, METHODOLOGY,
AND DISCLAIMERS REGARDING THE DEBTORS' SCHEDULES OF
ASSETS AND LIABILITIES AND STATEMENTS OF FINANCIAL AFFAIRS**

The Schedules of Assets and Liabilities (the “Schedules”) and Statements of Financial Affairs (the “Statements”) filed by DZS Inc. and its debtor affiliates, as debtors in the above captioned cases (collectively, the “Debtors”), in the United States Bankruptcy Court for the Eastern District of Texas (the “Court”) were prepared pursuant to section 521 of title 11 of the United States Code, 11 U.S.C. 101 – 1532 (the “Bankruptcy Code”) and Federal Rule of Bankruptcy Procedure 1007 by the Debtors’ management. They are unaudited.

While the members of management responsible for the preparation of the Schedules and Statements have made a reasonable effort to ensure that the Schedules and Statements are accurate and complete based on information known to them at the time of preparation and after reasonable inquiries, inadvertent errors may exist, inaccuracies within the Debtors’ books and records which

were relied upon may exist, and/or the subsequent receipt of information may result in material changes to financial and other data contained in the Schedules and Statements that may warrant amendment of the same. Moreover, because the Schedules and Statements contain unaudited information that is subject to further review and potential adjustment, there can be no assurance that these Schedules and Statements are fully complete or accurate.

These Global Notes and Statement of Limitations, Methodology, and Disclaimer Regarding Debtors' Schedules and Statements (the "Global Notes") pertain to, are incorporated by reference in, and comprise an integral part of, the Debtors' Schedules and Statements. In the event of any inconsistency between the Global Notes and the Schedules and Statements, the Global Notes shall control and govern.

The Schedules and Statements have been signed by Charlie Vogt, the Chief Executive Officer of each of the Debtors. In reviewing and signing the Schedules and Statements, he relied upon the efforts, statements, and representations of the Debtors' other personnel and professionals. The representative has not (and could not have) personally verified the accuracy of each such statement and representation, including, for example, statements and representations concerning amounts owed to creditors and their addresses.

GLOBAL NOTES REGARDING SCHEDULES AND STATEMENTS

1. **Description of the Chapter 7 Cases.** On March 14, 2025 (the "Petition Date"), the Debtors commenced voluntary cases under chapter 7 of the Bankruptcy Code (collectively, the "Chapter 7 Cases"). No chapter 7 trustee (the "Chapter 7 Trustee") has been appointed as of the filing of the Schedules and Statements.

2. **Reservations and Limitations.** Reasonable efforts have been made to prepare and file complete and accurate Schedules and Statements; however, as noted above, inadvertent errors

or omissions may exist. The Debtors reserve all rights to amend and supplement the Schedules and Statements as may be necessary or appropriate. Nothing contained in the Schedules and Statements is intended to be, nor should it be construed as, a waiver of any of the Debtors' or the Chapter 7 Trustee's rights or an admission of any kind with respect to these Chapter 7 Cases, including, but not limited to, any rights or claims against any third party or issues involving substantive consolidation, equitable subordination, or defenses or causes of action arising under the provisions of chapter 5 of the Bankruptcy Code or any other relevant applicable bankruptcy or non-bankruptcy laws to recover assets or avoid transfers.¹ Any specific reservation of rights contained elsewhere in the Global Notes does not limit in any respect the general reservation of rights contained in this paragraph.

- a) **No Admission.** Nothing contained in the Schedules and Statements is intended as, or should be construed as, an admission or stipulation of the validity of any claim against the Debtors, any assertion made therein or herein, or a waiver of any rights to dispute any claim or assert any cause of action or defense against any party.
- b) **Recharacterization.** The Debtors have made reasonable efforts to correctly characterize, classify, categorize, or designate certain claims, assets, executory contracts, unexpired leases, and other items reported in the Schedules and Statements. However, the Debtors may have improperly characterized, classified, categorized, designated, or omitted certain items due to the complexity and size of the Debtors' business. Accordingly, all rights are reserved to recharacterize, reclassify, recategorize, or redesignate items reported in the Schedules and Statements at a later time as necessary or appropriate, including, without limitation, whether contracts or leases listed herein were deemed executory or unexpired as of the Petition Date and remain executory and unexpired postpetition.
- c) **Classifications.** Listing (i) a claim on Schedule D as "secured," (ii) a claim on Schedule E/F as "priority" or "unsecured," or (iii) a contract on Schedule G as "executory" or "unexpired" does not constitute an admission by the Debtors of the legal rights of the claimant or contract counterparty or a waiver of the

¹ For the avoidance of doubt, references to the rights of the Debtors and any reservations thereof contained herein include those rights and other powers that may be exercised by the Chapter 7 Trustee, as applicable.

Debtors' or the Chapter 7 Trustee's rights to recharacterize or reclassify such claim or contract.

- d) **Claims Description.** Any failure to designate a claim in the Schedules and Statements as "contingent," "unliquidated," or "disputed" does not constitute an admission by the Debtors that such claim or amount is not "contingent," "unliquidated," or "disputed." All rights to dispute, or to assert offsets or defenses to, any claim reflected on their Schedules or Statements on any grounds, including, but not limited to, amount, liability, priority, status, or classification, or to otherwise subsequently designate any claim as "contingent," "unliquidated," or "disputed" are expressly preserved. Moreover, the Debtors reserve all rights to amend their Schedules and Statements as necessary and appropriate. Listing a claim does not constitute an admission of liability by the Debtors.
- e) **Estimates and Assumptions.** To prepare and file the Schedules as close to the Petition Date as possible, management was required to make certain estimates and assumptions that affected the reported amounts of assets and liabilities. All rights are reserved to amend the reported amounts of assets and liabilities to reflect changes in estimates or assumptions.
- f) **Causes of Action.** Despite their reasonable efforts to identify all known assets, the Debtors may not have listed all of their causes of action or potential causes of action against third parties as assets in their Schedules and Statements, including, without limitation, avoidance actions arising under chapter 5 of the Bankruptcy Code and actions under other relevant bankruptcy and non-bankruptcy laws to recover assets. All rights with respect to any cause of action (including avoidance actions), controversy, right of setoff, cross claim, counterclaim, or recoupment and any claim on contracts or for breaches of duties imposed by law or in equity, demand, right, action, lien, indemnity, guaranty, suit, obligation, liability, damage, judgment, account, defense, power, privilege, license, and franchise of any kind or character whatsoever, known, unknown, fixed or contingent, matured or unmatured, suspected or unsuspected, liquidated or unliquidated, disputed or undisputed, secured or unsecured, assertable directly or derivatively, whether arising before, on, or after the Petition Date, in contract or in tort, in law or in equity, or pursuant to any other theory of law (collectively, "Causes of Action") that may exist are expressly preserved, and neither these Global Notes nor the Schedules and Statements shall be deemed a waiver of any claims or Causes of Action or in any way prejudice or impair the assertion of such claims or Causes of Action.
- g) **Intellectual Property Rights.** Exclusion of certain intellectual property shall not be construed to be an admission that such intellectual property rights have been abandoned, have been terminated, or otherwise have expired by their terms, or have been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. Conversely, inclusion of certain intellectual property shall not be construed to be an admission that such intellectual

property rights have not been abandoned, have not been terminated, or otherwise have not expired by their terms, or have not been assigned or otherwise transferred pursuant to a sale, acquisition, or other transaction. The Debtors have made every effort to attribute intellectual property to the rightful Debtor owner, however, in some instances, intellectual property owned by one Debtor may, in fact, be owned by another. Accordingly, all rights with respect to the legal status of any and all intellectual property rights are reserved.

h) **Insiders.** For purposes of the Schedules and Statements, the Debtors included information with respect to a range of individuals the Debtors believe could be included in the definition of “insider” set forth in section 101(31) of the Bankruptcy Code during the relevant time periods, including the following: (i) current and former members of the Debtors’ Board of Directors; (ii) employees that are, or were during the relevant period, officers; and (iii) Debtor affiliates. The listing of a party as an insider for purposes of the Schedules and Statements is not intended to be, nor should it be, construed as an admission of any fact, right, claim, or defense, and all such rights, claims, and defenses are hereby expressly reserved. Persons listed as “insiders” have been included for informational purposes only. The Debtors do not take any position with respect to: (i) such person’s influence over the control of the Debtors; (ii) the management responsibilities or functions of such individual; (iii) the decision-making or corporate authority of such individual; or (iv) whether such individual could successfully argue that he or she is not an “insider” under applicable law, including the federal securities laws, or with respect to any theories of liability or for any other purpose.

Further, certain of the individuals or entities identified as insiders, to the extent they are “insiders,” may not have been insiders for the entirety of the twelve-month period, but the Debtors have included them herein out of an abundance of caution. All rights with respect thereto are reserved. To the extent any individual may have been considered an insider at some point during the twelve-month period, but ceased being an insider during the twelve-month period, this schedule only reflects payments made during the time such party may have been considered an insider.

3. **Methodology.**

a) **Basis of Presentation.** For financial reporting purposes, prior to the Petition Date, the Debtors prepared financial statements that were consolidated by Debtor, DZS Inc. Combining the assets and liabilities set forth in the Debtors’ Schedules and Statements would result in amounts that would be substantially different from financial information that would be prepared on a consolidated basis under Generally Accepted Accounting Principles (“GAAP”). Therefore, these Schedules and Statements do not purport to represent financial statements prepared in accordance with GAAP nor are they intended to fully reconcile to the financial statements prepared by the Debtors. Unlike the consolidated financial statements, these Schedules and Statements reflect the assets and

liabilities of each separate Debtor, except where otherwise indicated. Information contained in the Schedules and Statements has been derived from the Debtors' books and records and historical financial statements.

Moreover, given the uncertainty surrounding the collection and ownership of certain assets and the valuation and nature of certain liabilities among other things, to the extent that a Debtor shows more assets than liabilities, this is not an admission that the Debtor was solvent as of the Petition Date or at any time prior to the Petition Date. Likewise, to the extent a Debtor shows more liabilities than assets, this is not an admission that the Debtor was insolvent at the Petition Date or any time prior to the Petition Date.

- b) **Reporting Date.** The reported asset values in Schedules A and B, reflect the Debtors' asset values as of January 31, 2025, with the exceptions of cash, which is the reported bank balance as of March 14, 2025, and of accounts receivable, which is reported as of March 13, 2025. Liabilities are reported as close to the Petition Date as possible.
- c) **Umbrella or Master Agreements.** Contracts listed in the Schedules and Statements may be umbrella or master agreements that cover relationships with some or all of the Debtors. Where relevant, such agreements have been listed in the Schedules and Statements only of the Debtor that signed the original umbrella or master agreement.
- d) **Executory Contracts.** Although the Debtors made diligent efforts to attribute an executory contract to its rightful Debtor, in certain instances, the Debtors may have inadvertently failed to do so. Accordingly, all rights with respect to the named parties of any and all executory contracts, including the right to amend Schedule G, are reserved. In addition, although the Debtors have made diligent attempts to properly identify executory contracts and unexpired leases, the inclusion of a contract or lease on Schedule G does not constitute an admission as to the executory or unexpired nature (or non-executory or expired nature) of the contract or lease, or an admission as to the existence or validity of any Claims held by any counterparty to such contract or lease. Furthermore, while the Debtors have made diligent attempts to properly identify all executory contracts and unexpired leases, inadvertent errors, omissions, or over inclusion may have occurred.

The contracts, agreements, and leases listed on Schedule G may have expired or may have been modified, amended, or supplemented from time to time by various amendments, restatements, waivers, letters, memoranda, and other documents, instruments, and agreements that may not be listed therein despite the Debtors' use of reasonable efforts to identify such documents. Further, unless otherwise specified on Schedule G, each executory contract or unexpired lease listed thereon shall include all final exhibits, schedules, riders, modifications, declarations, amendments, supplements, attachments, restatements, or other agreements made directly or indirectly by any executed

agreement, instrument, or other document that in any manner affects such executory contract or unexpired lease, without respect to whether such agreement, instrument, or other document is listed thereon.

- e) **Leases.** In the ordinary course of their businesses, the Debtors lease real property and various articles of personal property from certain third-party lessors. The Debtors believe that all such leases are set forth in the Schedules and Statements. The property subject to the leases is not reflected in the Schedules and Statements as either owned property or assets of the Debtors or property or assets of third-parties within the control of the Debtors. The Debtors have not included in the Schedules and Statements the future obligations of any capital or operating leases. To the extent that there was an amount outstanding as of the Petition Date, the creditor has been included on Schedule F of the Schedules. Nothing in the Schedules or Statements is or shall be construed as an admission or determination as to legal status of any lease, and all rights with respect to all such issues are reserved.
- f) **Valuation.** It would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain current market valuations of all of their assets. Accordingly, unless otherwise indicated, net book values as of January 31, 2025, are reflected on the Schedules and Statements. Exceptions to this include operating cash and trade accounts payable, which are presented at bank balance and amounts owed as of March 14, 2025 and March 12, 2025, respectively. Certain other assets, such as investments in subsidiaries and other intangible assets, are listed at undetermined amounts, as the net book values may differ materially from fair market values and, in some cases, the Debtors do not carry the value of the assets on their books. Amounts ultimately realized may vary from net book value (or whatever value was ascribed), and such variance may be material. Accordingly, all rights are reserved to amend or adjust the value of each asset set forth herein. In addition, the amounts shown for total liabilities exclude items identified as “unknown” or “undetermined,” and, thus, ultimate liabilities may differ materially from those stated in the Schedules and Statements. Also, assets that have been fully depreciated or that were expensed for accounting purposes either do not appear in these Schedules and Statements or are listed with a zero-dollar value, as such assets have no net book value. The omission of an asset from the Schedules and Statements does not constitute a representation regarding the ownership of such asset, and any such omission does not constitute a waiver of any rights of with respect to such asset. Given, among other things, the current market valuation of certain assets and the valuation and nature of certain liabilities, nothing in the Debtors’ Schedules and Statements shall be, or shall be deemed to be an admission that any Debtor was solvent or insolvent as of the Petition Date.
- g) **Property and Equipment.** Unless otherwise indicated, owned property and equipment are stated at net book value. The Debtors may lease furniture, fixtures, and equipment from certain third-party lessors. Any such leases are

set forth in the Schedules and Statements. Nothing in the Schedules and Statements is or shall be construed as an admission as to the determination as to the legal status of any lease (including whether any lease is a true lease or a financing arrangement), and all estate rights with respect to the same are reserved.

- h) **Inventory.** Inventories are reported based on the net book value on the Debtors' balance sheet as of January 31, 2025, except Statement 27 which reflects the latest physical inventory counts of the Debtors based on information available prior to the Petition Date. Inventory is stated at the lower of cost or net realizable value, with cost being computed based on an adjusted standard basis, which approximates actual cost on an average or first-in, first-out basis. The Company reviews the cost of inventories against their estimated net realizable value and records write-downs if any inventories have costs in excess of their net realizable values. Inventory is presented net of an allowance.
- i) **Contract Assets and Liabilities.** Contract assets consist of (i) the earned, but unbilled, portion of a project for which payment is deferred by the customer until certain contractual milestones are met; (ii) direct costs, including commissions, labor related costs and permitting fees paid prior to recording revenue, and (iii) unbilled receivables that represent revenue that has been recognized in advance of billing the customer. Contract liabilities consist of deferred revenue and customer deposits and customer advances, and third-party advances or deposits which represent consideration received from a customer prior to transferring control of goods or services to the customer under the terms of a contract.
- j) **Contingent Assets.** The Debtors believe that they may possess certain claims and causes of action against various parties. Additionally, the Debtors may possess contingent claims in the form of various avoidance actions they could commence under the provisions of chapter 5 of the Bankruptcy Code and other relevant non-bankruptcy laws. The Debtors, despite reasonable efforts, may not have set forth all of their causes of action against third parties as assets in their Schedules and Statements. All estate rights are reserved with respect to any claims, causes of action, or avoidance actions that may exist and nothing contained in these Global Notes or the Schedules and Statements shall be deemed a waiver of any such claims, avoidance actions, or causes of action or in any way prejudice or impair the assertion of such claims. Additionally, prior to the relevant Petition Date, each Debtor, as plaintiff, may have commenced various lawsuits in the ordinary course of its business against third parties seeking monetary damages. Refer to each Statement, item 4(a)(i), for lawsuits commenced prior to the relevant Petition Date in which the Debtor was a plaintiff.
- k) **Unliquidated Claim Amounts.** Claim amounts that could not be readily quantified by the Debtors are scheduled as "unliquidated."

- l) **Undetermined Amounts.** The description of an amount as “undetermined” is not intended to reflect upon the materiality of such amount.
- m) **Totals.** All totals that are included in the Schedules and Statements represent totals of all the known amounts included in the Schedules and Statements. To the extent there are unknown or undetermined amounts, the actual total may be different from the listed total. The description of an amount as “unknown” or “undetermined” is not intended to reflect upon the materiality of such amount. To the extent a Debtor is a guarantor of debt held by another Debtor, the amounts reflected in these Schedules are inclusive of each Debtor’s guarantor obligations.
- n) **Intercompany Claims.** Intercompany receivables and payables between the Debtors as of January 31, 2025, are set forth on Schedule E/F or Schedule A/B-77 per the Debtors’ books and records, as applicable. DZS Inc. has funded the losses and acquisitions of the other Debtors and non-debtor subsidiaries and therefore has an intercompany receivable. The listing of any amounts with respect to such receivables and payables is not, and should not be construed as, an admission of the characterization of such balances as debt, equity, or otherwise or an admission as to the validity of such receivables and payables. These claims are subject to reconciliation and the amounts listed may be materially misstated and subject to material adjustment upon the conclusion of a reconciliation. Certain intercompany receivables and payables among and between the Debtors may have been consolidated and netted in the Debtors’ books and records. Such treatment is not, and should not be construed as, an admission of the amount and/or validity of any such intercompany receivables and payables or the validity of any netting or offset per the Debtors’ books and records. The Debtors take no position in these Schedules and Statements as to whether any such amounts would be allowed as a claim or an interest, or not all allowed at all. The listing of amounts is not necessarily indicative of the ultimate recovery, if any, on any intercompany asset account or the impairment or claim status of any intercompany liability account. The Debtors reserve all rights to later change the amounts, characterization, classification, categorization or designation of intercompany accounts reported in the Schedules and Statements.
- o) **Excluded Assets and Liabilities.** The Debtors have excluded certain categories of assets, tax accruals, and liabilities from the Schedules and Statements, including without limitation, employee benefit accruals, accrued accounts payable, deferred revenue, capital lease assets and liabilities and certain contract asset and liability accounts as well as right of use assets and liabilities. In addition, certain immaterial assets and liabilities may have been excluded.
- p) **Liens.** The inventories, property, and equipment listed in the Statements and Schedules are presented without consideration of any asserted mechanics’, materialmen, or similar liens that may attach (or have attached) to such

inventories, property, and equipment. If such liens may apply, all rights are reserved to dispute or challenge the validity, perfection, or immunity from avoidance of any lien purported to be perfected by a creditor.

- q) **Currency.** Unless otherwise indicated, all amounts are reflected in U.S. dollars.
- r) **Setoffs.** The Debtors incur certain setoffs and other similar rights during the ordinary course of business. Offsets in the ordinary course can result from various items, including, without limitation, intercompany transactions, returns, warranties, commissions and advances as well as other disputes between the Debtors and their suppliers. Such offsets and other similar rights are consistent with the ordinary course of business in the Debtors' industry and are not tracked separately. Therefore, although such offsets and other similar rights may have been accounted for when certain amounts were included in the Schedules, offsets are not independently accounted for, and as such, are excluded from the Schedules.

4. Specific Schedules Disclosures.

- a) **Schedules A/B, Question 11.** The accounts receivable for customers with net credit balances were removed from Schedule A/B, Question 11 and reclassified as general unsecured liabilities on Schedule E/F, Part 2.
- b) **Schedule E/F Part 2.** Vendors with net accounts payable credit balances were excluded from Schedule E/F Part 2 and were scheduled as assets on Schedule A/B, Question 75.

5. Specific Statements Disclosures.

- a) **Statement 20.** The Debtors utilize cloud storage in the ordinary course for accounting, human resources and certain other functions. Those items have not been disclosed in Statement 20 as offsite storage.
- b) **Statement 26(d).** As a publicly traded company, Debtor DZS Inc. regularly issues consolidated financial information through its various public filings required by the Securities Exchange Commission.
